Brick Paver Engraving Order Form

Paving bricks are available for engraving in three sizes:

- The **6"x 6"**, (\$50) brick provides up to four lines of print with approximately eight one inch letters and spaces per line. **Print size can be adjusted for a few more letters on each brick.**
- The **8"x 8"**, (\$100) brick provides up to four lines of print with approximately ten one and one quarter inch letters and spaces per line.
- The **12"x 12"**, (\$200) brick provides up to five lines of print with approximately ten one and one half inch letters and spaces per line

You do not have to use all available lines. The engraver will center and evenly space each line. See examples below. The Foundation reserves the right to ask you to reword any inscription that could be considered inappropriate. Please do not use symbols, logos, or religious verses.
